

Frequently Asked Questions (F.A.Q)

(Please refer Advertisement Dtd.10.06.2021 for recruitment of VSJE (Electrical / Civil))

1. I have given exam of final semester but result is not yet published. Can I apply?

No. Only those candidates who have given exam of final semester and result thereof is published till the last date of submission of online application are eligible to apply, if meeting with all criteria. The candidate needs to enter result of 7th & 8th Semester SPI and equivalent aggregate percentage marks of 7th & 8th Semesters in online application.

2. I have SPI in semester result, whereas in online application SGPA is mentioned.

Candidates have to enter SPI result in the field of SGPA.

3. Do I need to enter CGPA in online application?

No. The candidates need to enter only SPI of 7th & 8th Semester in online application.

4. There are no equivalent aggregate percentage marks mentioned in the result. How to enter the same?

The candidate needs to enter equivalent aggregate percentage marks of 7th & 8th Semesters as per prescribed conversion formula of respective university. The candidate will be required to produce certificate of respective college / university showing the equivalent percentage marks of 7th & 8th semesters at the time of document verification, if selected and called for.

5. I have degree of BE (Electronics & Communication). Can I apply?

No. Only the candidates having prescribed degree course mentioned in the advertisement are eligible to apply.

6. I am having SEBC Non-Creamy layer certificate / EWS Certificate issued before the issuance of advertisement and it is valid for three years. Do I need to take fresh certificate?

No fresh certificate needs to be taken if it is valid as on the date of online application. However, fresh certificate will be required at the time of document verification, if selected and called for, if the validity of the certificate is expired.
